

SUPERIOR *for* SUPERIOR
QUALITY *for* **VALUE**

LOWER Utility Bills

Proven by HERS Index Ratings and performance testing, SONA homes are **more energy efficient** than many of our competitors, which means **lower energy costs** for you.

- **Ultra Low Leakage** HVAC Ducts
- **High Performance** Low-E Argon windows
- **Lower** ACH (Air Changes per Hour)
- **Energy Star** Appliances

LESS Maintenance Headaches

SONA homes are built to be **more durable** than the average home so you'll spend your time **enjoying your home** instead of repairing it.

- **Double** Foundation Drainage System
- **Mitre-Cut & Straight Stud** Framing
- **Glue & Screw** Drywall and Sub Floors
- **30-Year** Roof Shingle Warranty
- **Right-Sized & Efficient Performing** HVAC
- **Silent Floor System**

GREATER Health & Comfort

SONA construction standards combine for **healthier indoor air quality** and **better environmental control**.

- **Ultra Low Leakage** HVAC Ducts
- **Tighter** Building Envelope
- **Right-Sized** HVAC
- **Low VOC** Paint
