## Lower Utility Bills

---

Proven by Home Energy Rating System (HERS) index ratings and performance testing, Sona homes are more energy efficient than many of our competitors, which means lower energy costs for you

- Ultra Low Leakage HVAC Ducts
- High Performance Low-E Argon Windows
- Lower Air Changes per Hour (ACH)
- Energy Star Appliances

---

## Less Maintenance

---

Our homes are built to be more durable than the average home so you will spend your time enjoying your home instead of repairing it

- Double Foundation Drainage System
- Mitre-Cut & Straight Stud Framing
- Glue & Screw Drywall and Sub Floors
- 30-Year Roof Shingle Warranty
- Right-Sized and Efficient Performing HVAC
- Silent Floor System

---

## Greater Health & Comfort

---

Sona construction standards combine for healthier indoor air quality and better environmental control

- Ultra Low Leakage HVAC Ducts
- Tighter Building Envelope
- Right-Sized HVAC
- Low VOC Paint
